ADVISORY

SERIES OF 2026

Temporary Use of 2020
Form for Urgent Filing of
General Information
Sheet on eFAST

SECURITIES AND EXCHANGE COMMISSION
Notice
March 10, 2026

**TEMPORARY USE OF 2020 FORM FOR URGENT FILING OF
GENERAL INFORMATION SHEET ON EFAST**

I. Temporary Filing Arrangement

For urgent submissions, corporations that are still in the process of setting up or restoring access to their eSECURE accounts, which allow access to the Hierarchical and Applicable Relations and Beneficial Ownership Registry (HARBOR), may temporarily file their General Information Sheet (GIS) through the Electronic Filing and Submission Tool (eFAST).

For this purpose, corporations may use the 2020 version of the GIS Form which may be downloaded from the SEC website at <https://bit.ly/2020GISForms>

II. Effectivity of the Transition Period

The transition period shall remain in effect until April 15, 2026.

III. Implementation of the 2026 GIS Form

Beginning April 16, 2026, corporations will be required to use the 2026 version of the GIS Form.

The 2026 GIS Form adopts the updated reporting framework, which includes the submission of beneficial ownership declarations through HARBOR as part of the SEC's integrated reporting process.

IV. Assistance and Inquiries

For concerns relating to eSECURE account access, HARBOR, or eFAST, the public may:

- Visit the SEC Headquarters in Makati City; or
- Proceed to the nearest SEC Extension Office

Assistance is available at the SEC Public Assistance and Complaints Desk through the Information and Communications Technology Department and the Enforcement and Investor Protection Department.
