**Taxation of Insurance  
Companies in the Philippines,  
*First Edition, 2014***

The book provides a comprehensive, reliable and user-friendly guide on the laws, rules and regulations governing the taxation of insurance companies in the Philippines. It covers life, non-life, professional reinsurance, government insurance, mutual insurance and cooperative companies. It also covers insurance intermediaries and those doing business akin to insurance such as pre-need companies and health maintenance organizations (HMOs).
